<u>The DISTRICT SPRING MEETING HAS CHANGED – SEE MESSAGE BELOW!</u>							
<p>Fellow Civitans,</p> <p>As each of you know, there have been significant developments related to the Coronavirus over the past 48 hours. Governor Cooper has declared a State of Emergency for the State, the President has addressed the nation, many major sporting events canceled and additional potential cases infection here in our State.</p> <p>As much as I want to move forward with having many of you participate in next week’s District Convention, this is not the time for you to drive to Victory Junction and gather together. All scientific reports I have seen strongly suggest social distancing to help protect each of us. After consultation with Terry Jackson, Governor-Elect and Victory Junction, I have canceled our visit there next week.</p> <p>Rather than fully cancel the District meeting or try to reschedule at a later date, I have worked with International and have secured their video conferencing system. In coordination with International, we will have a virtual meeting next week via their video conferencing system. Although we will not be assembling at Victory Junction, we WILL still have a District Meeting next week at 11:00am. International has been using this system for several years for meetings with Governors, Governor-Elects, Board meetings, and many other meetings.</p> <p>For everyone who has preregistered, you have an option to either have your registration fee refunded or to designate it towards one of the District’s projects. I will contact you directly so you can make your decision.</p> <p>As I stated, our District Meeting will be next week at 11:00am. There will be NO registration fee. Even if you did not preregister, you are invited to join. The meeting will last between 60 and 90 minutes. I have revised the program but it will consist of most of the items we would have covered during lunch. We will have our International President Patsy Perkal addressing us together with some other presentations. I also have two more of the candidates for International President-Elect who will plan on addressing us. Banner patches will be distributed based on those who preregistered.</p> <p>I am looking forward to having a large number of you join us next Saturday (21st) at 11:00am. Please make plans to join us!</p> <p>Here is the information to join the District Meeting via video conference system.</p> <p>.Join Zoom Meeting https://zoom.us/j/145253992</p> <p>Meeting ID: 145 253 992</p> <p>Dial by your location +1 646 558 8656 US (New York) Meeting ID: 145 253 992</p> <p>If you use the above link, it will take you straight to meeting with no need for any additional information. You just have to click on it.</p> <p>Zoom is a simplified video conferencing and messaging that will work any device. The system works well on any PC that has a camera and sound although a camera is not a requirement. Laptops work very well. Also iPads and phones can be used. There is also an option to just call in where you can speak and hear, just not see anyone. When you use the video conference system on a device, it will load a small program to manage the conference.</p> <p>I am looking forward to seeing many of you join us. I am hopeful that many of you who was hesitant to register due to the Coronavirus will take advantage of this revised opportunity!</p> <p>If you have any questions, please do not hesitate to contact me.</p> <p>John Sofley Governor johnsofley@gmail.com 704.213.3520</p>
